E. LEON LOEBLEIN

August 18, 1926

New Brunswick Veterinary Surgeon

TESTIFIED (pages 602 et seq.):

On Saturday morning between 10.00 and 11.00 was driving from Bound Brook to New Brunswick on Eastern Avenue near De Russeys Lane and was stopped by a police officer and asked to look at the bodies, as they suspected one was Dr. Hall's. Loeblein went in and identified Dr. Hall (603-4).

Found clothing in good order. Hat over Dr. Hall's face. Did not notice eyes open or shut (605).

Did not know Mrs. Mills alive or dead (605).

Dr. Hall had his glasses on and his left hand was under Mrs. Mill's head (605).

Officers Curran and Carrigan present (606).

Saw no watch chain. Did see a number of cards and an automobile license card thrown over the two bodies and between them. (606)

Saw no card propped at feet (606).

As Loeblein left Totten and Sheriff Conkling arrived (606).
